

PORTOVINO GROOVY ITALIAN WINES

GIGANTE PINOT GRIGIO

REGION: FRIULI-VENEZIA GIULIA

GRAPE (S): PINOT GRIGIO

Classic pear and nutmeg, but this isn't your normal PG. There's a weight and length to this that's rarely found in whites; the old vines help here. If your a PG fan (and especially if your not) give this one from Gigante a try. For a local match in heaven, try with slices of **Prosciutto** of nearby San Danielle and **Melon**. The wine works really well with the other local mainstay of Polenta; it accents and echoes the polenta's creamy-sweetness. **Pasta and Grilled Veggies** come alive under its sanguine spell.
