

PORTOVINO GROOVY ITALIAN WINES

2007 VENDITTI SANNIO ROSSO

REGION: CAMPANIA

GRAPE (S): MONTEPULCIANO, AGLIANICO, OLIVELLA. **ORGANIC!**

It's refreshing and offers something more interesting than simple; in short, it's a WEDNESDAY WINE, with which your meal's preparation and later enjoyment will be done with ease. It won't bother you (unless you want to be bothered). The field blend has the flowery side of so-called moody Aglianico, matched with the black fruit and black olive side of Montepulciano (little native Olivella to keep you guessing).
